

Dear Parent or Carer

First and foremost, we hope that you are keeping well in these different times and that you have had a restful half term break. I hope that you have all now received the welcome email from KCC which contained the link to our transition portal. On there you will be able to find our Welcome booklet with key information about life at KCC as well as a virtual tour of the college and welcome videos from staff and students. There is also a link to our Admissions form which we would very much appreciate if you could complete in due course.

You will also be receiving in the coming weeks a letter regarding bridging work for your child to prepare them for their studies at KCC and to familiarise them with our style of learning.

We are currently responding to government guidance and will continue to do so for the remainder of this academic year. Currently this prohibits any physical transition events but how we are responding to this guidance is constantly under view and if we are able to do so in the future we shall. Also thank you to those of you who flagged the error on the Trutex website regarding purchasing uniform. We are working with Trutex and are awaiting their response to resolve this issue and uniform should be available to purchase from their website in the coming weeks.

Thank you for all your emails and messages and it has been a pleasure to start to get to know you all, I look forward to working closely with you in the coming weeks and meeting you all in person in the near future.

Best wishes

Russell Back
